About Us

Our Products

Contact Us

Rooted in Quality. Driven by Trust.

Haddad International Trading is an Iranian pistachio grower, supplier, and exporter based in Rafsanjan, one of Iran's renowned pistachio-producing regions. With over 10 years of export experience and direct access to our own orchards, we combine agricultural knowledge with international trading capabilities to serve importers, wholesalers, distributors, and food manufacturers. Our focus is on consistent product specifications, reliable supply, transparent communication, and long-term commercial relationships.

WHY PARTNER WITH US?

Direct Sourcing. Commercial Reliability.

Direct Orchard Access

A direct connection to pistachio production and product origin.

Export Experience

Over a decade of experience supporting international pistachio trade.

Bulk Supply Capability

Capacity exceeding 100 metric tons per month for commercial orders.

Product Variety

Major Iranian in-shell varieties, kernels, and processed forms.

Quality-Focused Sourcing

Product selection and verification against agreed buyer specifications.

Export Coordination

Packaging, documentation, and shipment arrangements discussed per order.

Product availability, quality parameters, and export services are confirmed for each transaction.
